# 80TH AUSTRALIAN MIDGET CHAMPIONSHIP

Hello, and a warm welcome to Brisbane, Queensland to our interstate and international competitors for the 80th running of the Australian Midget Championship.

This national championship event has been quite a difficult one to organise for the QSRA. With COVID restrictions and the on again off again border restrictions, along with the uncertainty of who can come into Queensland without quarantine, it would have been easy to scrap the title for another year. Instead we looked at it as an opportunity to showcase our division of midget car racing, while many other divisions have opted to not run their relevant division national championships.

Also the QSRA would like to acknowledge the promoters of Archerfield International Speedway, John and Kathy Kelly for their assistance in getting our national championship event going ahead. John and Kathy are not just promoters, they're also midget racing fans and take a keen interest in our division.

A thank you also needs to go to the committee of the QSRA and Speedcars Australia for their help in putting the show on. I wish every competitor in the National Midget Title the very best of luck and safe racing.

Yours sincerely,

*Gary Greenwood*
